Subject - Revised estimate for Rs 4,500/- for the formation of a Circle at the junction of Ramanuja Road and Viceroy Road

---

With reference to your letter No L 17078/3 dated the 21st May 1948 returning the above estimate with certain observations, I have the honour to enclose herewith a plan and section of the road crossing referred to in the estimate together with a copy of the rate-list as per approved tender As regards observations made regarding the rates provided in the Revised Estimate for non-tendered items of work, I wish to state that the rate for removing and refixing stone slabs 4" to 5" is by oversight provided as 0-4-0 per sft The actual rate however as claimed in the bills is only the schedule rate of 0-2-0 ~~per sft~~ As such the rate may kindly be corrected to 0-2-0 per sft , as actually admitted For the item of providing 7" to 8" burnt stone slabs block curbing for the Circular Traffic Island, a data sheet in support of the rate Rs 2-3-0 per sft , as provided, is herewith enclosed for kind information

The estimate is herewith retransmitted along with the plan of the Circle as formed, together with the other records for favour of communicating early sanction to the Revised Estimate so that the final bill pending for the work may be passed and the work closed

I have the honour to be,
Sir,
Your most obedient servant,

Chairman
